

ALICE IN WONDERLAND AND THE WTC DISASTER

IF YOU ARE LOOKING FOR THE FORCE BEHIND THE U.S. ATROCITIES JUST ASK: WHO BENEFITS?

"Nothing would be what it is, Because everything would be what it isn't. And contrary-wise -what it is, it wouldn't be. And what it wouldn't be, it would. You see?" - Alice in Wonderland.

By David Icke

The force that seeks to control this world and introduce its global fascist state, the network I call the Illuminati, is nothing if not predictable.

The unbelievable horror perpetrated on the cities of New York and Washington is a problem-reaction-solution sting on the collective mind of all humanity and I have been expecting an event of this magnitude for some years. I thought it could be a war or a nuclear "terrorist" device, but something fantastic was always going to happen during the years of the Bush presidency when, as I wrote on inauguration day, the agenda would be pressed forward with a gathering pace.

Fast as the world was being moved towards global centralised fascism, it was still not fast enough to match the timescale demanded by the Illuminati agenda. And the opposition to their globalisation plans and their assaults on freedom, was gathering by the day. It was clear that something of enormous magnitude was being orchestrated that would so devastate the collective human mind with fear, horror, and insecurity, that "solutions" could be offered that would advance the agenda in a colossal leap almost overnight. This is what we saw in America on the ritually-significant eleventh day of the ninth month - 911 is the number for emergencies in the United States. Ritual and esoteric codes are at the heart of everything the Illuminati undertakes.

And, mind-numbing as these atrocities are, this is the start, not the end, of the next cycle of the Illuminati agenda for the mental, emotional, spiritual, and physical imprisonment of humankind. More and more death and destruction will unfold as the "Free World" unites as an (in affect) world army and world government to use the threat of "terrorism" (their own) to justify a war against the people and countries they choose to take the rap for what the very forces WITHIN the "free world" are

themselves responsible for. Even war with the Islamic peoples is not the end, but the means to an end - a conflict with the remaining forces of communism, which they also control. Remember that the Illuminati operate through every country and within "terrorist" organisations and those agencies which "oppose" such terrorism. Only by having agents within all "sides" can they be sure of controlling the game and knowing the outcome before it starts. The Illuminati have operatives within the Islamic world, just as they have them in the so-called "free world", as we shall see in the months to come. Saddam Hussein is every bit as much a knowing Illuminati pawn as Father George and Boy George Bush in America, for example ([see...And The Truth Shall Set You Free](#)).

The predictability of the ritualistic, emotionless, reptilian mind can be seen in the news management that has followed this U.S. disaster. Look at what always happens in these circumstances and you will see that the blueprint is the same in almost every case. Before the event happens the fall-guy or "patsy" is already set up to take the blame, thus steering the public mind away from dangerous speculation and onto a pre-ordained target. After the Kennedy assassination it was Lee Harvey Oswald; after Oklahoma it was Timothy McVeigh; now it is Osama Bin Laden.

Bin Laden, deeply misguided as he may be, is no more responsible for what happened this week than I am. His name was introduced with the most obvious co-ordination immediately after the disaster unfolded in the same way that the background to Lee Harvey Oswald was being circulated BEFORE President Kennedy was even dead.

The idea that this guy from the mountains of Afghanistan with far more mouth than substance could be the "Mr. Big" of this enormous operation is utterly insulting to anyone of even basic intelligence (see the article by journalist Robert Fisk, who has met him). We are not talking a parcel bomb here, nor even some mind-controlled fanatic driving a car bomb into a restaurant in Jerusalem. Four commercial airliners had to be simultaneously hi-jacked in American air space via American airports and flown into highly specific targets within 45 minutes of each other. How was this possible? Because it was an inside job, that's how, orchestrated by forces WITHIN the United States and planned by the highest levels of U.S. "Intelligence" in co-ordination with other strands of the Illuminati spider's web worldwide.

With an army now of mind-controlled assets at their disposal, it is possible to get them to do anything they require once the mind is programmed and the trigger given to activate them. Those responsible for hi-jacking those planes and flying them into buildings will, in their conscious mind, have believed in the "cause" they were programmed to believe in. But in truth they were not hi-jacking and flying those planes, their programming was. Mind control is now so sophisticated that such

programming is almost child's play.

This terror was not a failure of U.S. Intelligence for God's sake. They were not supposed to uncover the plot and getting weapons onto planes is so much easier if you have support from those who control the system. I have heard that this is another "Pearl Harbor" and yes it is. You can read in ..And The Truth Shall Set You Free and other books and studies how the American government knew the Japanese were going to attack Pearl Harbor, but they did nothing about it. Why? Because they wanted it to happen for a specific reason - to justify the U.S. entry into the Second World War, which President Roosevelt (a blood relative of the Bushes) had said, just to get elected, that America would not be involved in. Problem-reaction-solution - and it's the same with the terrible events of this week. [\(Press here for an explanation of Problem-Reaction-Solution \(PRS\) if you are new to this technique\).](#)

In the immediate aftermath of the attacks, the "pin it on bin Laden" campaign was launched as per pre-arranged plan. The Republican Senator and Illuminati stooge, Orrin Hatch, for example, told CNN that he had high-level information from the FBI that bin Laden was behind the unprecedented attacks. "I do have some information," Hatch said in reference to his FBI briefing. "They've come to the conclusion that this looks like it may be the signature of Osama bin Laden, that he may be the one behind this." It's OK, don't go on, Orrin, we get the message and you have done your job.

Then we had the story of the hire car found so conveniently at Boston airport, where two planes were hijacked, which contained...yes...wait for it...a copy of the Koran and an instruction video for how to fly commercial jets!!! Am I in fairyland or what? I am surprised they did not claim to have discovered a letter from bin Laden in the car wishing the occupants the best of luck with their task. Maybe they plan to "find" that tomorrow, eh? It's unbelievable nonsense, of course it is, but most will believe it. And you will see more and more manufactured "evidence" of the "bin Laden connection" systematically revealed in the days and weeks ahead.

So, the question: Who benefits? Well, the Illuminati want a world government and army, a world currency and centralised global financial dictatorship and control. They want micro-chipped people and a society based on constant surveillance of all kinds at all times. And they want a frightened, docile, subservient, people who give their power away to the "authorities" who can save them from what they have been manipulated to fear.

Funnily enough the question "who benefits from these horrific events in America?" can be answered very simply: Anyone who wants to introduce the above. The disaster of 9-11, means that:

- The Illuminati now have the excuse to retaliate against anyone their propaganda machine can manipulate the population to believe was to blame. Attacks against Islamic targets have the potential to be the trigger for massive conflict and upheaval across the world and especially in the Middle and Near East. The opportunities to then widen the conflict to involve Russia and China are endless. A third world war is part of the agenda and this can open the way for that as the dominoes fall.
- The "free world united with America" rhetoric from Blair and other "world leaders" is code for coming together as a world army and police force to fight a "war against terrorism". Already the Bilderberg-controlled NATO (the world army in waiting) has pledged such support and the collective consciousness is being manipulated so comprehensively at this time that most people will support American and NATO terrorist attacks on unsubstantiated targets in the name of fighting terrorism. The stunning contradiction in this policy will be lost on the majority blinded by the blatant and intense mind manipulation that has followed the outrages in those U.S. cities.
- As conflict escalates as a result of such calculated "retaliation" the pressure for centralisation of military power and the willingness to concede that power by the populations of America and elsewhere will gather until the world army is in place, a world army with the power to attack and take over any country that their propaganda machine can demonise.
- The collective mind of humanity, and particularly that of America, is understandably now in a deeply traumatised state. They have been subjected to collective trauma-based mind control and, as any mind controller or researcher can tell you, a traumatised mind is a suggestible mind. So in the wake of the trauma comes the programming to manipulate the population to see events in the desired fashion.
- One of the biggest potential obstacles to the "New World Order", the centrally-controlled fascist global state, is the psyche of most American people. When faced with the prospect of giving up their right of self-determination to global military, political, and financial control, most would be vehemently opposed once they realised what was happening. Their collective sense of security, confidence, and pride in their nation and system has been built on the foundations of immense military and financial strength. It is a collective version of the John Wayne mentality - "don't mess with us - this is America." From that has come their collective confidence in themselves as a nation. Now that very sense of who they are, and their belief that they have the power to stand alone, is in danger of being devastated.

- It is absolutely no co-incidence that the targets of those hi-jacked planes were the very symbols of America's sense of itself and its own security - the Pentagon, symbol of their military might, and the World Trade Centre, twin pillars of their financial might. This is not primarily an attack on America, it is an attack on America's image and imagination of itself. Break their spirit and their sense of being "American"; break America's confidence in itself; put it in fear and fundamental insecurity; and you have overcome the most significant opposition to America allowing itself to be absorbed into the Illuminati's global and centrally-dictated society. The American psyche will now be bombarded with more and more shocks to its security and sense of self, as with Oklahoma and the school shootings in the past. But from now on everything will be increased dramatically. It is vital that Americans refuse to submit to this and realise that those who are condemning the terrorism in their midst are those who are responsible for it.
- When I first travelled America in 1996, I was staggered at what a controlled society the "Land of the Free" really was (though still not as bad as Canada). Now in the wake of this tragedy, the United States, and other countries, are set to become a fortress of invasive surveillance and, what's more, because of what has happened, the American people will not utter a significant word of protest at the rapid expansion of this Big Brother society. Problem-reaction-solution. Watch for micro-chipping of people to be suggested to "stop the terrorists".
- An economic disaster has long been predicted by those who have exposed and studied the Illuminati agenda. To overcome resistance to single currencies and central control of global finance, they need a world economic crash that will destroy the present system and kid the people into accepting centralised global control as the only way to overcome the crash. Problem-reaction-solution. This is another reason why these attacks struck in the very heart of America's economic system - and why in the days before the carnage the talk of a global economic recession was plastered across the world media. Now they have a blank sheet of paper with the chance to justify such a collapse and you will see global economic bodies brought in to "co-ordinate a response to the economic crisis". Indeed the G7 (Illuminati) grouping of nations has already begun this process.

These are just a few of the "benefits" to the agenda from the death and destruction in New York and Washington that was, I repeat, co-ordinated by forces within U.S. borders. Those responsible are possessed by non-human entities and have no regard for human life any more than most humans have regard for the death and suffering of cattle. The reptilian mind has an undeveloped emotional level and therefore there is no emotional consequence for them no matter to what depths of

horror and depravity they may sink. You only had to watch the emotionless, going-through-the-motions, reading the script, responses of George W. Bush and Tony Blair, the UK Prime Minister, in the face of such immense suffering to see an example of this. It was in the class of the Queen of England after the murder of Princess Diana. At least Reagan was a professional actor. Bush and Blair wouldn't get in a school play.

Did George W. Bush know that these devastating disasters were going to happen that day? What do you think?? Did Tony Blair? What do you think?? But even they are only pawns in a game controlled by far greater powers and they are as expendable as anyone once they have served their purpose. Personally I would not be surprised in the least if Bush was sacrificed eventually to advance the "global terrorism" scenario, and perhaps someone very close to Blair also. And, of course, if Bush does go, the new President would be the serial killer, Dick Cheney ([see The Biggest Secret](#)). The stakes are going to be stacked very high indeed from this point because the final push to global fascism has begun.

The world will never be the same again, that's true, but within every danger there is opportunity. And for those of us, the vast majority, who seek peace not conflict, freedom-for-all, not dictatorship-by-the-few, now have to look ourselves in the mirror and ask what we are going to do to stop these lunatics from taking over their asylum.

Complaining is not good enough any more. Running is no longer an option because soon there will be nowhere to run. It is time to lift the arse (that's "ass" or "Bush" to Americans) from the chair and let's stop sitting down and taking this shit. People can bombard the radio phone-ins with another version of reality and when they cut you off get back again and again; tell everyone you know where they can get information to give them another fix on what is really happening; send this and other articles on these subjects to everyone you know through e-mail, fax, or post; organise PEACEFUL protests against the fascist state whenever freedoms are threatened; get people together at meetings to discuss and assimilate information the media will not tell you; **LOSE FEAR AND BE IRREVERENT IN THE FACE OF THIS ARROGANT DICTATORSHIP. IT CAN ONLY SURVIVE IF WE ARE FRIGHTENED OF IT AND INTIMIDATED BY IT.**

There is so much we can do if only we first decide that we want to dedicate our lives to this with an unbreakable determination that will not concede to any level of intimidation or consequences.

**The Dragon is nothing like as powerful
as they want us to believe it is.**

**Come on, what are we waiting for?
- LET'S GO.**

Remember:

NO FEAR!!

The Big Bad Wolf and Little Red Riding Hood

And Little Red Riding Hood exclaimed, “Grandma, What big teeth you have!” And the Wolf (disguised as Grandma said), “Why, the better to eat to you with, my dear!”

The Lie: In order to stop terrorism, we **must** have National I.D. cards.

The Truth: The easier to track you and destroy all vestiges of privacy, which according to Oracle CEO Larry Ellison who has offered the software to accomplish this to the government for “free,” is an illusion at best. (And how would he know this?)

The Lie: In order to stop terrorism, we **must** install digital face scanning equipment at all airports (and soon on every street corner.)

The Truth: The better to monitor your travel movements and activities – never mind the billions in cost to install!

(Isn't it simply amazing how much money can be “found” and spent at this

time?)

The Lie: In order to stop terrorism, we **must** turn over the security of airports to the federal government (because the FAA has proven far too incompetent to handle it.)

The Truth: The better to install the police state. Absolute federal military control is mandatory to stop, search, detain, arrest, hold, and question anyone. Accustom everyone, everywhere to see armed guards, soldiers, military vehicles as part of daily life.

The Lie: In order to stop terrorism, we **must** be able to tap and monitor all phone calls and read all email correspondence – with impunity.

The Truth: The easier to instill fear, to pit people one against another, to do away with free speech, and collect those who dare disagree with the draconian measures the government is enacting.

The Lie: In order to stop terrorism, we **must** be able to hold or detain certain people – but that includes anyone – “indefinitely.”

The Truth: The easier it will be in the very near future to hold or detain anyone, at any time, for any reason or “suspicion.”

The Lie: In order to stop terrorism, the people **must** be “protected” at all costs – even to the extent of “sacrificing” and giving up their “freedoms” for security from the many radical terrorists hidden away all over the world.

The Truth: The easier to herd, manage, control, track and fence the sheeple into their pens. Security means: raid, arrest, harass, detain, spy upon, eavesdrop, and descend on private homes and property and circumvent due process of law, which now no longer exists.

The Lie: In order to stop terrorism, the U.S. government **must** “forgive” the many debts owed it by countries such as Pakistan and others (as well as pay off their debt to the United Nations while they are at it.)

The Truth: The better to bribe, buy, train, control, and arm the former “enemy terrorist states” that have now “pledged” their support to the U.S. and install the one world fascist dictatorship.
