These smaller orgone pieces use copper pennies to generate orgone life force energy. They may contain healing crystals, beads, grounding stones and other materials that generate the intent of LOVE and SERENITY. All ingredients are added with the highest intention of GOODNESS, LOVE, TRUTH and INTEGRITY.

Add a **Neodyme magnet**- 2 lb pull for \$5 or a 8 lbpull for \$10.

Orgone is **LIFE FORCE ENERGY**. It protects the **AURIC FIELD** around you. Negative charges or vibrations are neutralized with this **POSITIVE GENERATING PRANA ENERGY**.

The Quartz crystal is wrapped **clock wise** with copper wire from the flat part to the point, converting negative energies to positive. Embedded in an organic resin, negative energies are collected thru the copper and aluminum metals and into the crystal for conversion. Grounding stones help neutralize the crystal to allow for continuous orgone conversion.

ORGONE MASTER products contain **NEODYME Magnets**. The magnet **SUCKS** negative forces in for conversion. Attaching the **orgone master** to a **metal structure**, allows for **greater POWER** and collection of **negative energies**. (eg. attach them to fire escapes or a metal pole).
