

How to Make Orgone Masters

ORGONE MASTERS- ADD \$10 for each Orgone Master vs Blaster

More then Double POWER your ORGONE with a strong neodyne magnet and grounding stones.

Instead of placing a penny on the bottom of the muffin tray, center a neodyne magnet (7lb pull min). Place the quartz crystal upright on the magnet with the female side (Flat/ cloudy) down. Coil the copper wire clockwise spin from female(flat) to male (point).. Add healing crystals (Rainbow colours ROYGBIV) to the bottom. Add a grounding stone so you don't have to bury the orgone to discharge it . Add copper shavings (stick to magnet) and then aluminum shavings. Position the crystal so it is standing upright. Do not add the magnet at any other time, since it will float to the side of the mold. Email danah@jrgeenius.com, if you have any specific questions.

The Neodyne magnet sucks in the Dead Orgone Energy (DOR), collected by the metal shavings in the resin. Magnetically it draws in the DOR and converts it to Positive Orgone Energy (POR), as it flows clockwise up to the point (male) of the crystal. In a uniform, strong vortex fashion, the POR leaves the point and restores the life force (CHI) in the atmosphere, or person touching it. Negative energies are neutralized by this positive orgone force.

De-activate chip implants. Balance chakras with healing crystals. Place Master with magnet side down on chakras for balancing or secure it into position where you may have been chipped. . Hold Masters in palms with crystal facing the palm to add CHI to the body. Meditate.

ORGONE MASTERS magnetically fit nicely on your electrical or water intake box outside the house. Protects your home on the outside and inside, while rebalancing your electrical energy and water flow.

Protect Your Home From Silent High Tech Weapon Attacks

Today many people are getting into the silent orgone war against the NWO agenda. Orgone is a defense mechanism to protect our homes, yards, neighborhoods, and our country. It's one step at a time..one tower at a time.

Bury orgone blasters in each corner of your yard to keepunwanted demons or aliens, ELF AND OTHER MIND CONTROL weapons away from your home! Also, gift your area with orgone by placing them on the ground in bushes, trees, brush, ditches near towers to de-activate the harmful affects of towers.

Orgone Pendants

Orgone pendants are clear quartz crystals, wound clockwise, with copper to make powerful positive orgone pendants and dowsers. Healing or chakra crystals balance the body.

As a dowser, it can be programmed to answer questions with a clock wise (Yes) or counterclock- wise (no) response. Incense or cold water is required to cleanse the crystal before wearing or using. Place on Orgone Masters while not wearing them to generate more orgone for your room. Orgone emits out of the male (point) direction.

Orgone is the universal Life force, the basic building block of all organic and inorganic matter on the material planet. Coined by Dr. Wilhelm Reich, Orgone has been called Chi, Prana or simply the Force.

Most of the ancient healing practices, shamanism, religious miracles, special power of priests and their spiritual work, are unthinkable without the use of orgone energy
