Shriner!!!!

I do not trust you anymore. You are the garbage can I need to toss

You must work for Lucifer.

This is the false prophet of the Antichrist emailing me. They are going to go ahead with their genocide. If you don't think that this is important to expose, then you are adding to the problem not solution. We don't have to die...Revelations is a Vatican plot. You have avoided any solutions. You just continue to prepare humanity for death.

Sangraillian is the Whore of Babylon...if they get their way. I am doing what I can to expose this. If you don't, then you are working towards Armageddon. That doesn't save your soul.

Get off your high horse or I will kick you off it

Alex Collier, Supreme Rockefeller....

why do you always get involved in such Satanic New Age Agenda garbage?

years ago you said you were on a journey for truth, and yet you constantly jump from garbage can to garbage can...

you will never find the truth when you seek Satan's people out for it...Never...

their biggest toy is to make small people feel "important" for the 'cause'....which then goes on into New Age Satanic dribble trying to make people feel important...

Tree,

The knowledge you have and the things you know are useless and of no concern, the wisdom you have obtained has come from this world therefore it is of this world and tainted severely, some of the things you say are close to being true but no cigar, it all does not matter, there is no way you could possible detect me or see me for I am very powerful and nothing below me or weaker could possibly see in me, even my eyes are veiled lest they destroy what they saw, I am 666 the way the truth and the light, I have all authority to pass the powers of "Lilith" to you but first here read this passage about me in the bible:

"And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spoke as a dragon. And he exercised all the power of the first beast before him, and causes the earth and them which dwell therein to worship the first beast, whose deadly wound was healed. And he does great wonders, so that he makes fire come down from heaven to earth in the sight of men. And deceives them

that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live. And he had power to give life to the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed. And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their, forehead. And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name 666."

I am in league with the Anti-Christ who is Supreme David Rockefeller, he and I are the ones of prophecy foretold to come, it is us, I am also a Freemason and I sit at the top of the Thule-Orden, we are working with all the secret societies.

This is the time for you to be slow to speak and quick to listen, I am not here to confirm or deny all the broken pieces of things you know, it matters not to me for I am that I am, I am the great Beast 666, yes there are also the Anunnaki and other alien races I am in communication with but at this point in time I am not going into depth about them.

There are many Incarnates and Gods upon the Earth right now, we are getting ready to begin the Tribulation, I will open the Abyss very soon and set loose upon the Earth, Seth whom I am the Ambassador of.

You can be Lilith if I choose you to be, you are Lilith once I bestow this order, you need to clear your mind, there is no one that is going to rule this planet except me and Supreme Rockefeller, so forget what you know and grasp reality with me for a moment, you have a high concentration of demonic hosts inside of you and that is of very high value to me, as Lilith you must be able to bare me a manchild which will give way to the return of "Horus" through my Triple Helix DNA which leads to the new Messiahs of the next Aeon, I am not of this world by way of this, although I did come here born of woman, I have been here for 3,443 years, we are in the book of Revelation and we were foretold of many thousands of years ago and now we are here, ONLY in the book of Revelation can we be found and our mission therein, the world is blind and does not see this although the truth is right there for them to read, here are some links about us we are now starting to pop up on the internet everywhere, it is almost time, we have just officially announced rebuilding the Temple in Jerusalem and all of this is prophecy.

Few are among the chosen awakened ones who walk the earth now, we have always been the ones who were last, so then we're now the ones who are first, Our eyes see greatness and we wallow in its light, we rest no more. The wisdom of man is corrupt and obscure, it pays no debt to eternity, therefore, it is void of dominion and authority.....I am awakened and I seek the few who are left to prepare them for greatness that which will extend beyond infinity there on into eternity, where

freewill is known not, and will never be so again, their are not many left, No, not many at all, I have no wisdom of my own, nor can I teach a person to see, I can only point to a man and say "look there inside yourself where the truth has been all along" and the truth shall reveal ITSELF but only if he so hearkens unto that which he heard.

Lean not on your own understanding, for that attribute is void of faith, and cannot merge into a spiritually sound voice which is to lead you, noone may lead before he has first followed, I am here, a living breathing prophet, I am greater then those who cling unto rebellion, for I have been given this authority and dominion, with eyes to see, and ears to hear, men honor wisdom with their lips, but it is always far from their hearts, I bring the sword with my tounge and to all who willfully attempt to assume the same by no appoinment are fools, I have been appointed and annoited to serve as that which I am.

I ask you to look into yourselves, who feels the call? Can any of you see? if so then what is your sight based upon? Can you accept truth? let those who have understanding reckon the call knowing that every spirit shall be tested by it's fruit lest any man make this claim impersonating that which he is not.

Those who would masquerade as us coming in our name, prophesiers from their own diluted imaginations who falesly and willfully proclaime wisdom to be that of their own divine calling, will swiftly and undoubtingly be smitten to the ground and made our footstools, before all of man, so that the sword we bring with our tounge is thereby glorified and revered to be that of divinity being administered through us, but it is the few who can answer this call for man chooses willfully and unlawfully to be his own god, he shall be sadly grieved in those days for nothing will withstand the tribulation of it all and so it will come to pass, will you listen? or will you cling unto your own understanding? seek TRUTH, noone may teach before they have first learned.

The spirit through me expressidly constitutes itself with principle authority, not to be mistaken otherwise to be that which it's not. Anyone may speak intelligently with well worded declarations but not just anyone may speak with authority having his tounge be his sword, there comes a day when my messages will change, as it will be translate to the masses of those who will never be awakened, and in those days the time will be at it's shortest distance from Omega.

Can you see, can you hear?

If you can lay down your Earthly wisdom you will obtain the prize, your wisdom right now is your worst enemy, if you can do this, we will need a sample of your blood sent to Germany where your Triple Helix DNA will be activated by Osiris in the Vril Machine afterwards your full awakeing ca occur.

see it was guild decabalis_shomer wilmer stevens who introduced me first to qeii and pindar
